

Docket No. 1828K US

Response to non-Final Office Action dated March 22, 2007**Response to the 112 Rejection**

5 The Applicant amended claims 12, 16, 18 and 20 from "pressure transducer" to "single pressure sensor." The dependent claims 12, 16, 18 and 20 have antecedent support from a claim each dependent claim depends on.

10 The Applicant amended claim 26-29: "a controller" to "the controller".

 The Applicant canceled claims 29 and 30 as depending on a previously canceled claim.

15 The Applicant amended claim 11 to dependent on claim 10 not claim 1 as the antecedent basis for "foot" is found in claim 10 not claim 1.

20 The Applicant respectfully suggests the present application is in a condition of allowance.

 Applicant authorizes the Commissioner of Patents to charge deposit account 190254 for any late fees or charges necessary to
25 avoid abandonment. I can be reached direct at (508) 261-8476 or Edward.jarmolowicz@tycohealthcare.com.
